Dear Alan:

This is to let you know the results of this Agency's review of the classified documents that Department of State historian Dr. David Mabon selected from your records as part of his research for a Vietnam War volume in the Foreign Relations of the United States series. I shall enclose a copy of our Letter to Dr. Mabon, noting those CIA-originated documents that have been released (at their existing classification), and those that have been denied, for his use in this project.

We appreciate your help.

Yours sincerely,

/S/

J. Kenneth McDonald
